

# Strategic Planning

Operations Committee  
November 7, 2022  
4:00 pm in Lighthouse Room

# Today's Agenda

- ◆ Grounding Activity
- ◆ Summarize facility study
- ◆ Educational spaces
- ◆ Future tours

# Committee Members and Grounding

Introduce and share

- ◆ What is your favorite hobby and where are your favorite places to go for this hobby?

# Facilities Study

Conducted by Bray and Associates in 2020-21

# Summarize Facility Study Only

- ◆ Present the executive summary
- ◆ Groups breakout (by building)
  - Discuss executive summary with inserts from larger study
- ◆ Large group share out

# Areas of Summary

## Included in Study

- ◆ Building Systems (HVAC, mechanical)
- ◆ Architectural
- ◆ ADA
- ◆ Exterior components: Roofs/Doors/Windows

## Not Included (or detailed):

- ◆ Furniture/Interior components
- ◆ Exterior facilities: Playgrounds, etc

# Educational Spaces

Historical glance at educational spaces

# Goal of Educational Spaces

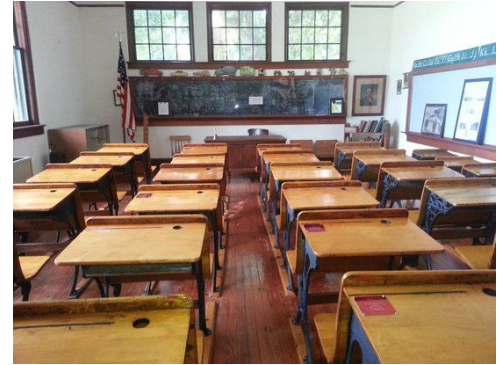

- ◆ Goal: Think about what is important when educating our students and how do our facilities impact that?
  - ◆ What and how do students learn?
  - ◆ What does the workplace or further education look like? Do we model this?

# A picture is worth a thousand words

## Classrooms at a glance (Historical)

- What was valued and what world were students being prepared for?
- What has changed in the past 10 years? 20 years? 50 years?

# A picture is worth a thousand words

## Classrooms at a glance (Modern)

- What is currently valued and what world are students being prepared for now and in the future?

# Tour Takeaways

Considerations for Tours

# Walk thru/Tours

## Existing facilities

- Consider innovation, flexibility in the future, accessibility, what does the environment allow our teachers and students to do?

## New facilities

- How do the updated facilities enhance the goals of the building, what capabilities are available to these teachers and students that may or may not be available in our buildings?
